中文

[Verse]

守候了三世的家臣，
说我觉醒在这一代。
祖先为我起的名字，
注定我将文武全才。
音符划分了我的世界，
左起蓬莱，右到瑶台。

Oh-oh, oh-oh, oh-oh!

从我出生开始就富有四海。

[Prechorus]

我是自我加冕的皇帝，
拥有至高无上的权力。
决定兵戎相见，
决定休生养息。
决定高官厚爵，
决定终生奴役。

[Chorus]

我听到吾王万岁, Oh
万岁万岁万万岁!
笑里春秋多少泪,
Hey-yee, hey-yee, oh, bah-bah-ley!

English translation (mine)

[Verse]

Our clan servant has waited for ages,
To claim our rise in my generation.
My ancestors bestowed my name,
I'm destined to be omnipotent.
Music has my world divided,
From Penglai to Yaotai.

Oh-oh, oh-oh, oh-oh!

I was born with unlimited wealth.

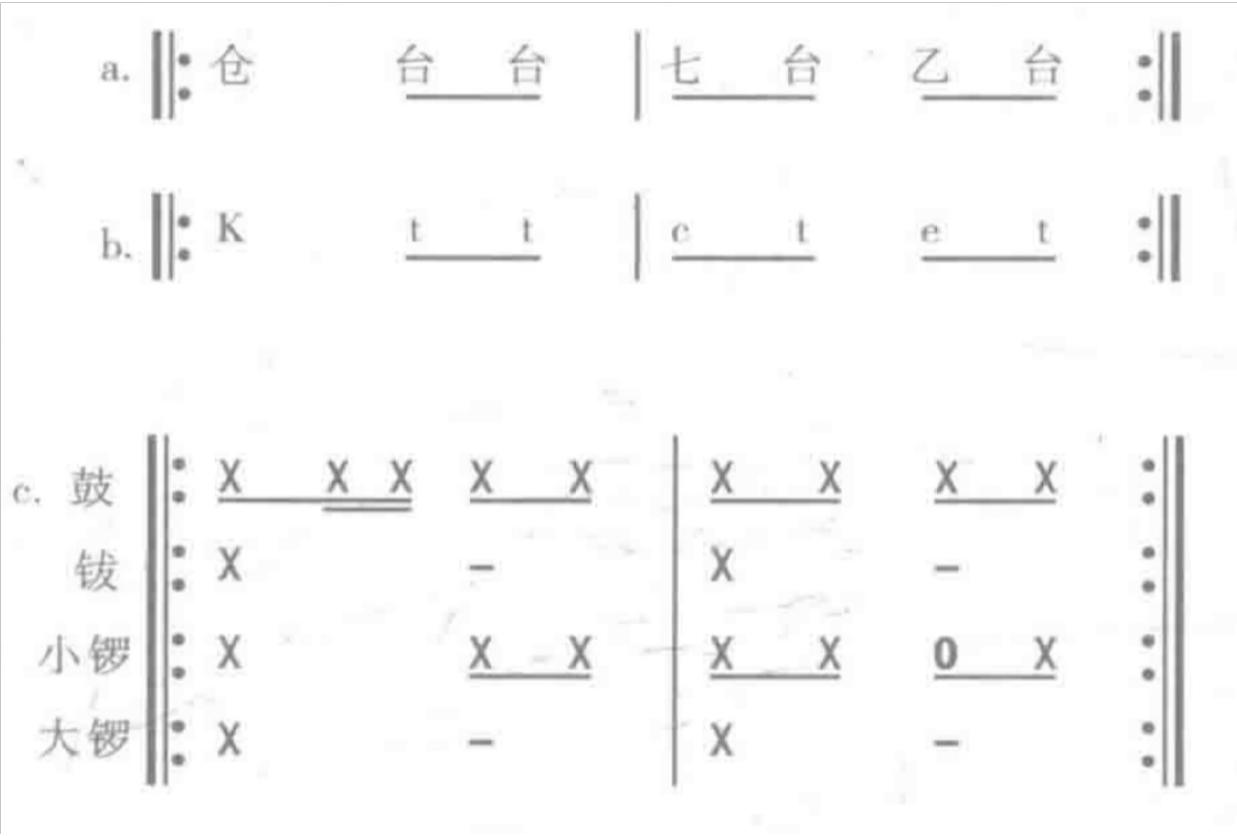

[Prechorus]

I am the self-crowned Emperor,
who has unparalleled power.
I adjudicate wars,
I adjudicate peace.
I adjudicate privileges,
I adjudicate freedoms.

Long, long, long live the king!
Tears and smiles are my life,
Hey-yee, hey-yee, oh, bah-bah-ley!
